TOBRUK TIGER TALK

2016

...from the Principal...

SCHOOL SOCCER

Well done to our students who participated in the soccer tournament last week at the Falcons soccer ground. The students all participated fairly and showed great sportsmanship. Daniel Tobin made the save of the century playing goal keeper that was witnessed by many students and teachers. Well done Daniel!

BESSIE FROOD NETBALL TOURNAMENT

This Friday we will have 2 netball teams representing our school at the annual netball Tournament held at the courts at Morwell Park PS. Good luck to both our teams. Mrs Phillips and Mrs K will be attending the event with our students. Hopefully the weather will be kind.

END OF TERM ASSEMBLY

Our end of term assembly will be held on Thursday the 23rd of June from 2-3pm. We will be presenting term improvement and achievement awards, a few student performances and a short Power Point of the work completed during Digital Excellence this term.

LATE ARRIVALS TO SCHOOL

Any students arriving late to school must be signed in by a parent/guardian. Please do not send students through the main school entrance from the staff car park on their own. This is a safety issue as well. Staff and visitors to our school are often driving in and out. We certainly do not want any accident occurring. Please walk with your child(ren) and sign the late book at the office.

Enjoy the long weekend.

Kind regards

Melissa

Our Maths Extension Program:

We have completed the first cycle of our Maths Extension Program. 13 students were selected (using the results from their Maths Online Interview) to participate. The students involved in these small, targeted groups have all made excellent progress and have strengthened their skip counting skills. All students involved should be extremely proud of their efforts.

We will continue this program with NEW students for the next three weeks!
