SCHOOL COUNCIL

Last night we welcomed our new School Council members for 2016. Thank you to those parents who have decided to commit to being part of this team. Together we look forward to ensuring we provide the best possible learning opportunities for all our students.

Our school council positions are as follows:

President - Deborah Tormey
Vice President - Melissa Palermo
Secretary - Aimee Duffy
Parent Members - Rebecca Robinson, Chayne Quinn, Rachael Viney and Kylie Vanloo
Staff Representative - Chris Dunn

Each school council member will also be part of our sub-branch committees. These include Finance, Education, Building & Grounds and Parents & Friends.

Last night our school council decided on an interim name for the new school. The school will be called Morwell Central Primary School. The permanent name of the school will be confirmed towards the end of the year.

CREATING A THRIVING AND COLLABORATIVE LEARNING CULTURE

Next term staff from the three schools involved in the merger to Morwell Central Primary School will be working on developing a thriving and collaborative learning culture. Staff will work with a consultant named Tracey Ezard. Tracey will work with schools individually to create a "history map" from the opening of our schools until today. This will be created into a visual display that each school will bring to the new school.

On the 20th April, a school closure day will be held, for staff to continue to work on culture building ideas and activities. On this day students will not be required to attend school. Staff will be working at the Performing Arts Centre which is part of Morwell Central Primary School.

Enjoy the rest of your week
