...from the Principal...

NEW SCHOOL NAME

We are asking our students and families to contribute ideas for a new school name. Thank you to families who have already provided us with new possibilities. Currently the interim school name is Morwell Central Primary School. If you have other ideas you would like to share, please return these to the school office by Monday 23rd May.

Our School Council will select three name possibilities to take to the next Interim School Council for discussion and to help with a final decision.

PLAYGROUP

Please remember our school offers a supported Play Group every week to support families and young children 0-4yrs of age and they have a really fun and engaging time together. Toys, music, dance and stories are some of the many activities on offer. Our Play Group is a partnership with Good Beginnings. Play Group currently runs on Thursdays mornings.

From the beginning of June our Play Group day will change to Mondays from 9.30am to 11.30am. Each session is supported by a facilitator from Good Beginnings and Michael Berquez our school Welfare Officer will also be attending each session.

We will send a reminder note home for families at the beginning of June to remind everyone of the day change.

If you know of young families in Morwell please encourage them to attend too. Play Group is available for any families who love in the Morwell. It is a really warm and caring environment that encourages young children to learn through safe and engaging social activities. We really hope to see many families attend.
