As you enter our school you are met by our school vision and values and a friendly atmosphere that we work hard to achieve. We pride ourselves on providing engaging learning environments, optimistic and caring professional staff and a belief that all students can learn. We encourage personal interests, collaboration, resilience and creativity.

Our students enjoy a wide variety of learning programs including Physical Education, Digital Excellence, Play Based and Inquiry learning, Visual Arts, Mathletics and Library. Literacy and numeracy are core learning areas explored daily.

Safe and secure outdoor learning environments allow students to play cooperatively in open spaces. Play ground equipment, large oval, fitness track, climbing wall and sandpit areas keep students busy. Secure fencing also surrounds the whole school.

We strongly believe that education is a partnership between the school and home. We encourage you to work closely with the school to motivate and support your child. You may also support the school through fundraising efforts and school activities. Your continued supports helps to provide stimulating learning spaces for students to learn.

Please don’t hesitate to contact the school if you have any questions or feedback regarding your child’s educational opportunities. Together we make a difference. I look forward to learning with you!

Tobruk Street Primary School

A snapshot in history..........
The school was established in 1954. Many streets around the Morwell East area are named after famous battles and people from the Second World War. Tobruk Street Primary School is proud to bear the name of the most famous battle the “Siege of Tobruk”.

All visitors to the school can view the historical commemorative wall story of “The Battle of Tobruk”. Created by students and former war veterans, the work ensures that the name Tobruk is remembered by all who pass through the school.

A snapshot into the future............

Tobruk Street Primary School is part of an educational regeneration project. We are one of three schools which will amalgamate in the future to the Greenfield site on Maryvale Road Morwell.

We already have access to a state of the art Performing Arts Centre located on the new school site.

TEACHING AND LEARNING BELIEF

At Tobruk Street Primary School we believe children arrive at school with varied knowledge and experiences of the world around them. They are ready to engage and create in different ways; and that a self directed, purposeful, challenging and collaborative curriculum is essential to their development.
All students including Preps will start school on **Wednesday the 30th of January**. In the first short week Preps will attend on Wednesday 30th of January, Thursday 31st of January and Friday the 1st of February.

For each of the following Wednesdays in February Prep students **DO NOT attend school**. This gives the teachers an opportunity to schedule Prep interview appointments on these days. These interviews assist with planning and targeting learning tasks to individual needs. Prep teachers will arrange a time convenient to parents in late 2012.

Prep students will attend school on Monday’s, Tuesday’s, Thursday’s and Friday’s during February from 8.45am to 3.00pm.

The first full week of attendance for Prep’s in 2013 begins on Monday the 4th of March.

HEALTH AND SAFETY ISSUES

If your child is to take medicine or tablets at school please fill in a form at the office and let the class teacher know. Apart from the treatment of cuts and grazes, no medicines will be
given by staff to students. In cases of a more serious nature, medical assistance (ambulance) will be called and every effort made to contact parents. Please keep the school up to date with emergency and home contact details.

Medication at school

Sometimes when a student has recovered from an illness it is necessary for them to have medication at school. A form is available from the office to fill in authorising staff to administer the medication. Please ensure that all medication is clearly marked with name, dosage and time to be administered. All medication must be provided in the original packaging as dispensed by the pharmacy.

Asthma

Asthma sufferers must have medication on hand at school for use when necessary. Asthma sufferers require an Asthma Management Plan to be provided to the school from their doctor.

Infectious diseases

Please ring the school if you require information on exclusion for infectious diseases. However, a doctor should be consulted to confirm infectious disease. With the introduction of Immunisation Certificates, students not immunised against a particular disease will be excluded whenever that disease is found in the school.

Emergency Contact

For every student in the school, emergency contact details are on file. This enables contact with the parent or their agent in the case of illness or injury. Parents are asked to contact the school without delay of any changes to their emergency contact, addresses or telephone numbers.

School Medical Service

Each year there is a complete medical screening of Prep pupils. If you wish your child to be referred to the School Nurse upon their next visit, contact the school office. The School Nurse may refer to other services if necessary.

School Councils can request payments from parents for student materials and services charges and for voluntary financial contributions.

These payments fall into three categories:

1. **Essential education items** which parents and guardians are required to provide or pay the school to provide for their child (eg. Stationery, text books and school uniforms where required).

2. **Optional extras** which are offered on a user-pay basis which parents and guardians may choose whether their child accesses or participates in (eg. School magazines, extra curricular programs or activities).

3. **Voluntary financial contributions** which parents and guardians may be invited to donate to the school (eg. Grounds beautification, additional computers).

For detailed information about what schools can and cannot request payment for please visit the website listed above.
